Introductory.

CITY DIRECTORY OFFICE,

Nov. 17, 1903.

The twelfth annual edition of the Des Moines City Directory we now issue to our patrons with the full confidence and belief that in point of accuracy, reliability and completeness it surpasses any work of this kind ever issued of Des Moines.

There can be no better medium than the directory for showing the advance of the city from year to year in population, in improvement, both public and private and in business.

POPULATION.

This issue of the Directory contains 40,937 names. Deducting 2,375 names to cover firms, etc., leaves 38,562 names. Employing our usual multiple of $2\frac{1}{2}$, the lowest number used by any directory company, shows the population of the City for 1903 to be 96,405, an increase over 1902 of 4,890.

In conclusion we tender our sincere thanks to the business men of the city for their patronage and to the citizens for the kindness and courtesy with which our representatives have been received.

Yours Respectfully,

R. L. POLK & CO.

Flour Mill and Grain Directory

OF THE UNITED STATES AND CANADA.

NUMEROUS inquiries for a complete and reliable Directory of Flour Mills and Grain Dealers of the United States and Canada have induced us to utilize our unequalled facilities in the compilation of the work. Among the more important features are

- List of all Mills, U. S. and Canada—capacity of each.
- Kind of Power Used.
- List of Cereal Mills—Buckwheat, Rye, Barley, Etc.
- Grain Elevators.
- Grain Brokers and Commission.
- Grain Buyers and Shippers.
- Flour Exporters.
- European Flour Importers.
- Wholesale Flour Merchants, U. S. and Europe.
- Wholesale Bakeries.
- Mill Supplies.
- Mill Machinery Manufacturers.

It is replete with information valuable and of interest to the Practical Miller, the Grain Dealer, the Machinery Manufacturer, and to all either directly or indirectly interested in milling, grain or allied trades.

Globe-Wernicke Vertical File.

Vertical filing is simply the filing of letters, papers, bills, etc., on edge in folders, instead of flat in the ordinary letter file. If not acquainted with the system we would like to explain its advantages. If familiar with it, however, we want to show you the best Vertical Filing Cabinet fitted with the most perfect Vertical Files for the system ever made. If you can't call, write us for pamphlet containing valuable information.
